Player Groups:
Player groups will be automatically assigned by grade, unless the parent/guardian deems otherwise. Groups are:

Architect: Grades K-5. Access to creative worlds **only**. *No access to survival worlds (including PvP) or chat.*
Guardian: Grades 6-12. Access to creative worlds, survival worlds (including PvP), and chat.

If you would like to allow your child in grades K-5 access to the **Guardian** group, please initial here: _____

I am aware that my child is requesting access to a Minecraft server provided by our library and the LION Library Consortium. I understand that my child will be able to interact with other library users remotely through this online game. I understand that my child may be banned from using said server for poor conduct which includes using inappropriate language, harassing other players, using client-side mods, spamming, and/or other behavior deemed inappropriate by administrators. I am granting permission to allow my child's Minecraft username to be given access to the LION Minecraft server.
